

ANNUAL REPORT 2022-2023

Throughout the current academic year, our institution's Internal Quality Assurance Cell has efficiently functioned, placing a significant focus on enhancing both academic and non-academic aspects in all activities. Notably, there has been a deliberate effort to enrich the curriculum by integrating application-oriented subjects, thereby strengthening its overall robustness, along with implementing reforms in examination procedures.

Since 2006, the college has attained autonomous status conferred by the UGC as a result of its continuous efforts and initiatives.

Academics:

Originating from modest origins, the institution has evolved into a research-centric establishment, currently offering a diverse range of 13 programs. These encompass 9 undergraduate, 3 postgraduate, and 1 PhD program spanning various fields such as Arts, Mathematical Sciences, Basic Sciences, Commerce, Media Sciences, and New Age Sciences, serving a student population of 2827 individuals.

In the current academic year, there has been a significant 91% rise in admissions, resulting in the enrollment of 2827 students. The faculty comprises 103 members, among whom 50 possess doctoral degrees.

Throughout the academic year 2022-23, staff members actively participated in seminars, conferences, and workshops at the international, national, and state levels. 45 journals have been published by the faculty members during this year.

Teaching, Learning and Evaluation:

The Orientation Programme and Interactive Smart Boards enhance in-class learning, while leveraging platforms like Google Classroom promotes effective online engagement. Smart classroom amenities and projectors optimize learning outcomes. Continuous Internal Assessment, including tests, assignments, seminars, and ICT activities, helps students excel in both CIA and semester exams, offering ample opportunities for performance enhancement and progress monitoring. Industrial Exposure Training and Project work foster experiential learning. Comprehensive guidance supports students in participating in conferences, seminars, and symposia, while case studies, visits, and professional training prepare them for competency challenges.

Student progression and support:

During the academic year 2022-23, 710 students secured successful placements, while an additional 06 individuals opted for further higher education opportunities. Moreover, 13 students showcased exceptional proficiency in specialized domains, garnering recognition or medals.

Distinctiveness:

At Dhanraj Baid College, our relentless efforts focus on instilling the significance of education within our primarily first-generation learner student community. Our aim is to cultivate accomplished individuals who are well-informed, environmentally aware, proactive, adventurous, and possess a scientific mindset, while also harboring a strong commitment to fostering global harmony and unity. To realize this vision, DBJC hosts various initiatives such as webinars, guest lectures, and developmental activities, all aimed at shaping our students and positioning them prominently in society. Our vision entails the transformation of human thinking and the establishment of a new culture characterized by adherence to rules, laws, moral values, natural courtesies, and human dignity. The college consistently reinforces these principles through ongoing moral and value-based classes conducted by our dedicated faculty members

Summary:

At the forefront of our priorities is the recruitment and retention of exceptionally qualified and motivated faculty members. It is crucial to provide amenities and sports facilities that harmonize with the natural surroundings. Our primary objective is to deliver holistic, value-driven education and cultivate entrepreneurial skills among students, equipping them for corporate challenges. Additionally, organizing career guidance programs is integral to our agenda. We aspire to elevate our rankings in NIRF and aim for top accreditation grades in NAAC Accreditation during the Fourth Cycle.
