ABOUT THE DEPARTMENT

The Department of B.Com Corporate Secretaryship was started in the year 1977. The B.Com Corporate Secretaryship programme is designed to bridge the gap between conceptual learning and practical application to inculcate professional corporate expertise. The department currently has around 560 students. The curriculum has been suitably modified to meet the challenging needs of the Indian Corporate. A certain measure of flexibility has been built into the new system, which enables the students to make their own choice of subjects from a wide spectrum of courses. The department imparts Corporate Secretarial skills and provides knowledge and training ground that turns out high caliber, competent, versatile professionals and good Company Secretaries.

Parents - Teachers Meeting - 9th march 2023

The Parents-Teacher Meeting held at our Department was a successful and productive event, fostering collaboration and communication between parents and educators. The PTM took place on 9th March 2022, and it provided an opportunity for parents to gain insights into their children's academic progress and address any concerns or questions they had.The meeting commenced with a warm welcome and an introduction by the Head of the Department **Dr. R. Lavanya** , who highlighted the importance of parental involvement in a student's education journey. Following the introduction, parents were divided into sessions based on their children's grade levels, ensuring that discussions were tailored to specific academic needs.

PARENT TEACHER MEETING

During the PTM, Faculties provided detailed reports on each student's academic performance, including grades, attendance, and behavioral observations. They discussed individual strengths and areas needing improvement, helping parents understand their child's progress comprehensively. This will helps the parents to know about their children's academic performance.

The Most Successful Students are those whose Parents and Teachers work hand in hand to support their growth and development."
