

## ANNUAL REPORT 2021-2022

Throughout this academic year, our institution's Internal Quality Assurance Cell has effectively operated, with a central emphasis on improving both academic and non-academic facets across all endeavors. Particularly noteworthy is the deliberate endeavor to enhance the curriculum through the incorporation of application-oriented subjects, thus bolstering its comprehensive strength, alongside the introduction of reforms in examination protocols.

Since 2006, the college has achieved autonomous status granted by the UGC due to its ongoing efforts and initiatives.

**Academics:**

Emerging from humble beginnings, the institution has transformed into a research-focused establishment, presently providing a comprehensive array of 13 programs. These consist of 9 undergraduate, 3 postgraduate, and 1 PhD program spanning diverse fields like Arts, Mathematical Sciences, Basic Sciences, Commerce, Media Sciences, and New Age Sciences, catering to a student body of 2589 individuals.

During the ongoing academic year, admissions have experienced a notable increase of 95%, leading to the enrollment of 2589 students. The faculty consists of 92 members, with 44 holding doctoral degrees.

During the academic year 2021-22, many staff members actively engaged in seminars, conferences, and workshops at the International, National, and state levels. Moreover, in the current academic year, faculty members have collaborated to publish 31 journals across various platforms.

**Best Practice 1: NO CAPITATION AND NO DONATION**

- The college has enabled first generation learners to opt for under graduate programmes without any constrains for economically weaker section.
- Provision of fees through instalment is also entered as a part of helping the society, the students are also provided with personality skill training and value education.

**Best Practice 2: TEACHING METHODOLOGY**

All the students have an opportunity to be part of one or the other experiential learning program

- Clustered in small groups to discuss a course topic reflecting individually at the end of each class session about what they have learned and what questions they still have
- Industrial visits are organized regularly for the students to experience and interact with experts.
